

Flexible Space Association Awards 2021

Industry Achievement Award

The Judging Panel will recognise an individual who has made a significant contribution to the flexible workspace industry over a long period of time.

Nominations are invited, and these will be considered by the judging panel. However, for this category, the judging panel will not be restricted to considering only nominations made, and may consider other individuals for the award.

The **deadline for nominations is 6pm on Tuesday 26 October**. These must be submitted in electronic format to jane.sartin@flexsa.co.uk

Nominations Submitted by

Company Name

Email

Telephone

Please set out in no more than 750 words why you believe the individual should be considered for the Industry Achievement Award. Please move onto the next page when this text box is full.
